Web based student response system

How to get started:

When you first open the Socrative App you will be required to create an Account:
Once the account is created, you will be prompted to login:

Once you have logged in you will be met with a screen similar to this:
You will notice a Unique Room code has been assigned; you will need to give this to your students to access your activities.
Creating a Quiz:
1. Click on “Manage Quizzes” and "Create a Quiz"
2. Name the quiz.
3. Select the type of question you want: Multiple Choice or Short Answer.
4. For multiple choice, write the question, input up to 5 answers and place a check in front of the correct answer.
5. For short answer, simply write the question.
6. Select another question type, complete the question and repeat.
7. When you're finished adding questions, click "Save".
8. If you need to edit the quiz, the “Edit Quiz” option is located on the same screen.

Starting a Quiz:
1. From your dashboard select “Start a Quiz”
2. Select your Quiz
3. Choose Quiz type: Student paced or Teacher paced (learn about each by reading the description beneath the setting)
4. Choose additional settings (optional)
What Students see:

1. Students will be prompted to login with the Room Code you provide

2. Questions will display one at a time

3. Once quiz is completed Students will be prompted that Teacher is receiving submission
Using the Quick Question Tool:

This tool allows you to assign a quick question to students with just two clicks.

Select Quick Question from your dashboard

Choose your type of question

What is a Space Race?

Teams of students answer assigned questions in this fast-paced rocket race game. The team(s) that get their rocket the furthest across the screen wins!

1. Select Space Race from the Dashboard

2. Choose a Quiz, Number of Teams, Assign Team Colors and Disable or Enable Immediate Feedback, then “Start Activity”

3. You will be able to monitor Team progress
The Exit Ticket Tool:

The Exit Ticket tool allows you to check for student understanding.

**Students will be sent the pre-set 3 question formative assessment:**

1. **How well did you understand today’s material?**
2. **What did you learn in today’s class?** (Opportunity for students to put in their own words the main takeaways from class. Your opportunity to make sure they recognized all your learning objectives.)
3. **Please answer the teacher’s question.** (Opportunity for you to ask any question that’s relevant in the moment)

**Reports:**

1. Decide how you would like to receive your reports (Choose one from the available methods)
   - Download the selected reports
   - Have the selected reports sent directly to your Google Drive
   - End activity but return to the live results data view (The report will still be in “My Reports”)
   - Send the selected reports to your email
   - How would you like your report(s)?
     - E-mail
     - Download
     - Google Drive
     - View Chart
     - View later
   - Which report(s) would you like?
     - Whole Class Excel
     - Individual Student(s) PDF
     - Question Specific PDF
   - Press “Cancel” to return to the activity
