

Bookmarking Pearson using Puffin Academy

Step 1: Launch Puffin Academy

To launch Puffin Academy, tap on the Puffin app on your iPad's home screen. The app should launch and you will be presented with a homepage.

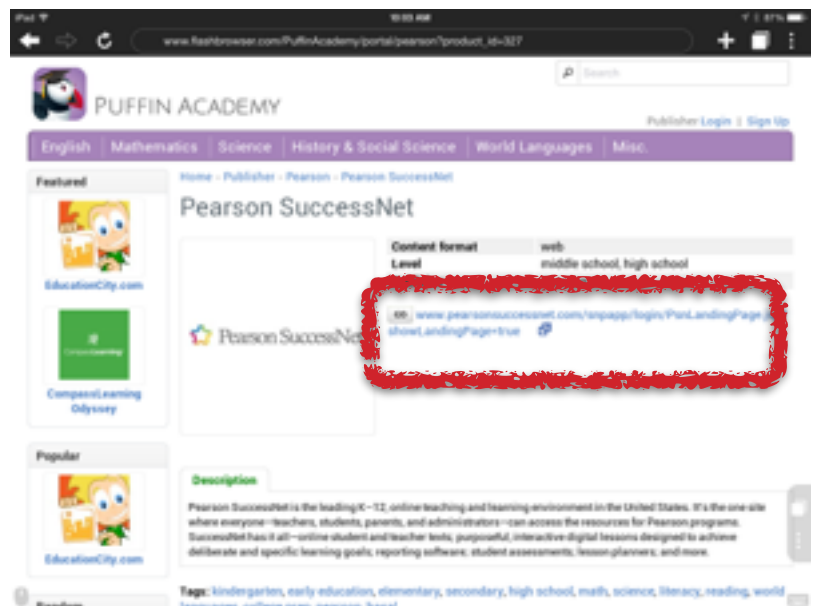

Scroll down to the bottom and under **Featured Publishers** tap on Pearson Education.

Step 2: Open SuccessNet

After you tap on Pearson, you will be presented with a list of the websites that Pearson has made available to Puffin Academy. Scroll until you find Pearson SuccessNet and then tap it.

The image at the right should appear. Tap on the link next to 'Go' to be taken to the Pearson SuccessNet loginpage.

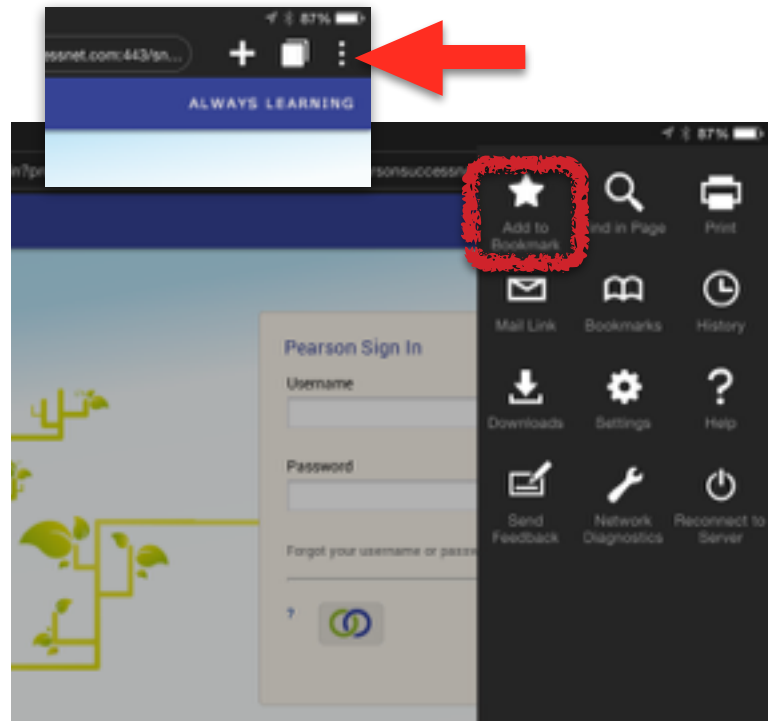

Step 3: Access the SuccessNet Login Page

You should now see the SuccessNet log in page. Tap on 'Log In' to be taken to the login page.

Step 4: Add a Bookmark

Once the login page pops up, click the hamburger menu (the three dots) in the top right corner.

Click the star to bookmark the login page.

Tap 'Save' in the popup and your bookmark will be created.

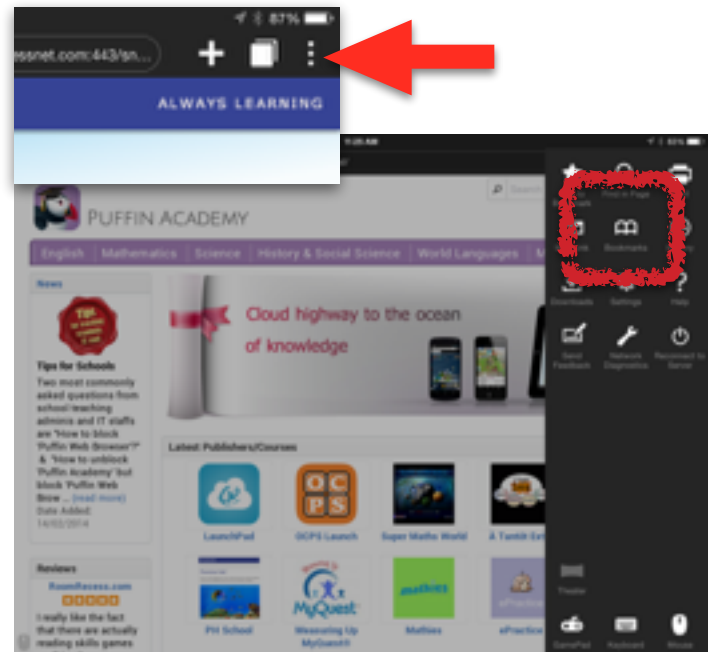

Accessing Bookmarks in Puffin Academy

Step 1: Access Bookmarks

To launch Puffin Academy, tap on the Puffin app on your iPad's home screen. The app should launch and you will be presented with a homepage.

Once the app opens up, click the hamburger menu (3 dots) in the top right and select Bookmarks.

Step 2: Select A Bookmark

Your bookmark window should open. Select the bookmark you want and you will be taken directly to the site.
